C O N G R A T S !

Congratulations for being chosen to be one of MoCo's competitive dancers.

MoCo has maintained a successful competition team for the past 13 years. Our primary goal is to provide a healthy "feel good" environment for our dancers. The color of the ribbons and trophies we bring home is a secondary measure of our success. The way our dancers feel, the learning that takes place in the process, and the FUN we have is MoCo's primary measure of accomplishment.

Take a peek inside and discover an opportunity like no other that will give your child confidence, poise, and grace while continuing to provide great dance education in an upbeat and fun centered program.

MoCo has designed a new program to further meet our customers needs. All prices are based on our 2008-2009 prices which makes the program quite a steal!
