Performing Ensemble

Congratulations on being chosen to participate in the Moving Company's Performing Ensemble. The last two seasons were an awesome beginning of a wonderfully successful adventure into the world of producing full length ballets.

We have invited our finest students who have shown us that they are committed, diverse, and of course talented. The Performing Ensemble will be broken into a jr, Ensemble (levels 3& 4) and a Sr. Ensemble (levels intermediate & advanced). The groups will work together in both of the seasons productions.
